What They're Saying About CAU

"Capital allocating requires many skills beyond investing. CAU holistically brings all these topics together to make you a more effective allocator in an environment where you can practice your new skills and grow your network."

Carlos Rangel, CIO, W.K. Kellogg Foundation

"The focused skill-building across key disciplines will help us drive better investment returns going forward. Great value for time as part of a commitment to learning and development at all organizational levels."

Jason Klein, CIO, Memorial Sloan Kettering Cancer Center

"Be prepared to learn and share your views and experience with like-minded peers."

Ben Cooper, Head of Manager Research, Cardano

"The teachings from the course have already impacted my role and organization and will continue to do so in the future."

Anthony Brzostowski, Director, Soditic Asset Management

"Each session had nuggets of wisdom, and I was excited to share with my team. I wish we all took it together!"

Kasia Karapuda, Senior Investment Officer, Oberlin College
